

5. Modernist villas at Benimàmet and Santiago Calatrava's birthplace

Modernist villas and Santiago Calatrava's birthplace

In Benimàmet, there is a good sample of **little** architectural style and which taste of the **19th century** in the **popular modernist** architectural style and which were to the taste of the **Valencian bourgeoisie**, and featured **beautiful ornamental details** such as window grilles, doors, balconies, balustrades, and which they chose to build in this area **to retire from the busy city of Valencia**.

Some of them are located at addresses in the following streets:

Calle del Miniaturista Meseguer, 1 - 15

Calle Felipe Valls 74,- 155

Calle del Ave María, 1

Santiago Calatrava was born in Benimàmet in 1951;

he was a world-renowned engineer and architect.

His birthplace is located at Calle Rafael Tenes Escrig, 20.

Car park
